### § 1496.4 Issuance of invitations.

From time to time, CCC will issue invitations to purchase or process agricultural products for utilization in the Title II, Pub. L. 480 program. The invitations will specify the contract terms; the closing date for acceptance of bids; the date contracts will be awarded; and other pertinent information. Invitations will be issued at least 10 days prior to the deadline for submission of bids. The bid submission deadlines and contract awards will be timed so not more than one market day elapses between bid opening (bid submission deadline) and contract awards.

### § 1496.5 Consideration of bids.

(a)(1) *Lowest landed cost*. The general principle of awarding contracts that will result in the lowest landed cost will prevail. Lowest landed cost will be calculated on the basis of U.S. flag rates and service for that portion of the commodities being purchased that CCC determines is necessary and practicable to meet cargo preference requirements and on an overall (foreign and U.S. flag) basis for the remaining portion of the commodities being purchased. However, the additional factors set forth in this section will be considered in awarding contracts.

(b)(1) *Availability of ocean service*. Prior to receipt of offers from commodity suppliers, CCC will review ocean freight information from available sources including, but not limited to, trade journal newspapers, port publications, and steamship publications to determine the availability of appropriate ocean service.

(2) Additional information will be gathered, if necessary by direct contact with the steamship company involved, regarding such factors as the minimum tonnage and/or revenue required to perform the service needed.
